- Once you are familiar with the song, and how it sounds, then print the music score PDF below.
- Now, with the actual music sheet on your hands, play the video a few more times and put your eyes on the paper, and read along with the music, listen to the song while looking at the music sheet.
- Do that a few more times and with your index finger, pointing at the notes as the same time as you are listening to the music.
- Now, count the measures in the song, in this song **Frosty The Snow Man**, you have 32 measures. And you have six days to play the song. This is in the higher part of level 2 of the California Music Conservatory.
