

# MIDI FILES GUITAR LEVEL - 7

You'll see more changes in this level. You may even find some song not that easy to play, and that's good, we want you to challenge yourself to be very good before going to level 8!

When you start playing the song, write the date (It's very important), when you can play the song very good, at the right speed and you can play it with confidence, and without mistakes, at least 3 or 4 times in a row, you can say that you know how to play that song. Then write the date. If it's less than a month, GOOD!, get another song in the same level, and play all the songs. IF it's more than a month, PRACTICE MORE, A LOT MORE! (or get songs from the previews level.)

VERY IMPORTANT!

DO NOT TRY TO PLAY SONGS FROM THE NEXT LEVEL IF YOU TAKE MORE THAN A MONTH TO PLAY A SONG LIKE THESE!.
