When you read music, the best way is to read the notes out loud.

Say the name of the notes, (Exp. Do-Re-Mi-Fa etc)

Always hold the sound as much as the value of the note.

If the note last 1 count, say the name of the note, and hold it for 1 count.

Read this piece of music.

After reading the music out loud with NO MISTAKES, that means PERFECT!

Then you can play the music with the instrument that you are learning how to play.
