- **\$80.00**

It's used but it works fine.

IT HAS SOME BENDS IN THE BELL.

THAT IS WHY YOU GET SUCH A LOW PRICE

A Trumpet is a brass instrument with 3 valves, this trumpet has some bends in the bell part, buy you can still play with it and learn to play this beautiful instrument, that is why you get such a great price, compare to a brand new trumpet, \$80.00 it's a very low price for a trumpet.
