

PIANISSIMO

When you see 3 letters "ppp" means really soft, I have written music that I want really soft and just for fun I wrote 6 or 7 letters "p" it looks "cool". But the idea is to understand that in music there is no limits and you can use your creativity as much as you want

ppp

If you have one "p" is louder than "pp" right? But at the same time "p" is softer than "mp"
